

R-43

Ranger Tugs R-43 - Leading The Pack

The beautiful R-43 from Ranger Tugs is as luxurious and comfortable as it is strong and seaworthy. With two private staterooms, each with en suite head and shower, there's plenty of room to comfortably entertain guests. The R-43 is packed full of innovative new features that will make your life on the water stress free and fun (like it's supposed to be). Designed and built by hand in the USA, the R-43 will turn heads and collect fans everywhere you go. You'll love the massive cockpit, with transom seats that rotate open to present a pass-through to the oversized swimstep. Abundant seating, ice maker, sink and a joystick docking station can also be found in the cockpit. The captain will be thrilled to navigate from the impressive helm with the latest in marine tech including Garmin 22" chartplotter with autopilot, optional FLIR thermal camera system and optional gyroscope stabilization. The spacious, light-filled salon is the heart of the R-43, with a conversational layout and seating for 12, you'll make a lifetime's worth of memories with friends and family in this warm, inviting space.
