

R-31 S

The R-31 S is the largest of the trailerable Ranger Tugs, making her ideal for extended cruising and entertaining. She comes standard with bow and stern thrusters for ease of handling. The foredeck features seating and a table that can be raised for entertaining and lowered while underway. The generous cockpit also features wraparound seating utilizing hidden seats that fold out of the gunwale. The interior layout of the R-31 S features two staterooms - one large island berth forward with en suite head and a midship berth with day head. A starboard side door provides easy access from the helm to the side decks for line handling. Like all Ranger Tugs, the R-31 S comes turn-key with standard features and equipment intended to make her owner's experience hassle-free and allow for ease of handling and comfort under way
