

R-29 S

The Ranger Tugs R-29 Sedan is another masterpiece of innovation! The contemporary styling of the R-29 S features a curved front windshield and an overhead glass atrium, providing exceptional visibility from the helm station and salon area. An ingenious aft cockpit seating arrangement includes a reversible seat, port and starboard jump seats and a teak table for outside dining. The opening cabin bulkhead with reversible seat also provides additional cockpit seating while bringing the outside-in.

The Ranger Tugs R-29 S accommodates up to six adults on three separate berths, including the forward island berth with en-suite head. The R-29 S is powered by a safe, fuel efficient 320 HP Volvo inboard diesel engine that is located completely outside of the cabin for quiet cruising. Standard stern and bow thrusters make docking exceptionally easy.
