

# R-29CB

The Ranger Tugs R-29 Command Bridge takes the beautiful design of the R-29 Sedan and adds the excitement of a command bridge with a second full helm station, a table, and seating for four. The R-29 CB maintains the sleek, modern look that the R-29 S has become known for. The dramatic curved front windshield and overhead glass atrium provide exceptional visibility from the lower helm station and salon area. An ingenious aft cockpit seating arrangement includes a reversible seat, port and starboard jump seats and a teak table for outside dining. The opening cabin bulkhead with reversible seat also provides additional cockpit seating while bringing the outside in.

The Ranger Tugs R-29 CB accommodates up to six adults on three separate berths, including the forward island berth with en-suite head. The R-29 CB is powered by a safe and fuel-efficient 320 HP Volvo Inboard Diesel engine that is located completely outside of the cabin for quiet cruising. Standard stern and bow thrusters make docking exceptionally easy.

## Specifications

LOA rigged (w/swimstep)	33'	10.1 m
Beam	10'	3.1 m
Draft	30"	0.76 m
Bridge clearance (mast up)	12' 10"	3.91 m
Bridge clearance (mast down)	9' 11"	3.02 m
